United States  
Olympians and  
Paralympians

## DYNAMO IN OUR COMMUNITY

**DYNAMO receives grant funding from USA Swimming and their Make A Splash Foundation** which allows us to offer subsidized swim lessons to youth in the City of Decatur area. This program is offered in conjunction with the Decatur Housing Authority, the City of Decatur Parks and Recreation Department and the Decatur YMCA. Classes are offered quarterly with the goal of getting as many of the swimmers as possible safe in the water. Additionally, we have the goal of some of the students progressing to year round swimming and passing the Lifeguard certification class so they can be employed as lifeguards in the community.

### DEKALB COUNTY SCHOOL DISTRICT
